PROJECT STATUS REPORT

Project Name	Budget.io
For Week Ending	11-23-2023
Project Status	Yellow
Status Description	The EJS stack has been chosen to be the foundation of the website.

Activities—During the Past Week

Build website on MERN and EJS

Activities—Planned for Next Week

Finish website on EJS

Project Issues

Project headed in the right direction but the website is still not fully functional.

Project Changes

Completely scrapped the idea of using the MERN stack.
