PROJECT STATUS REPORT

Project Name	Budget.io
For Week Ending	11-21-2023
Project Status	Red
Status Description	● The idea isn't implemented well into the website. ● Need to make sure the website follows the project requirements.

Activities—During the Past Week

Discuss Hi-fi prototype

Activities—Planned for Next Week

Build website on MERN and EJS

Project Issues

Products don't follow the project requirements quite well. This means that more work has to be put in and the website has to be functional.

Project Changes
